Chapter 5 – Reporting Structure

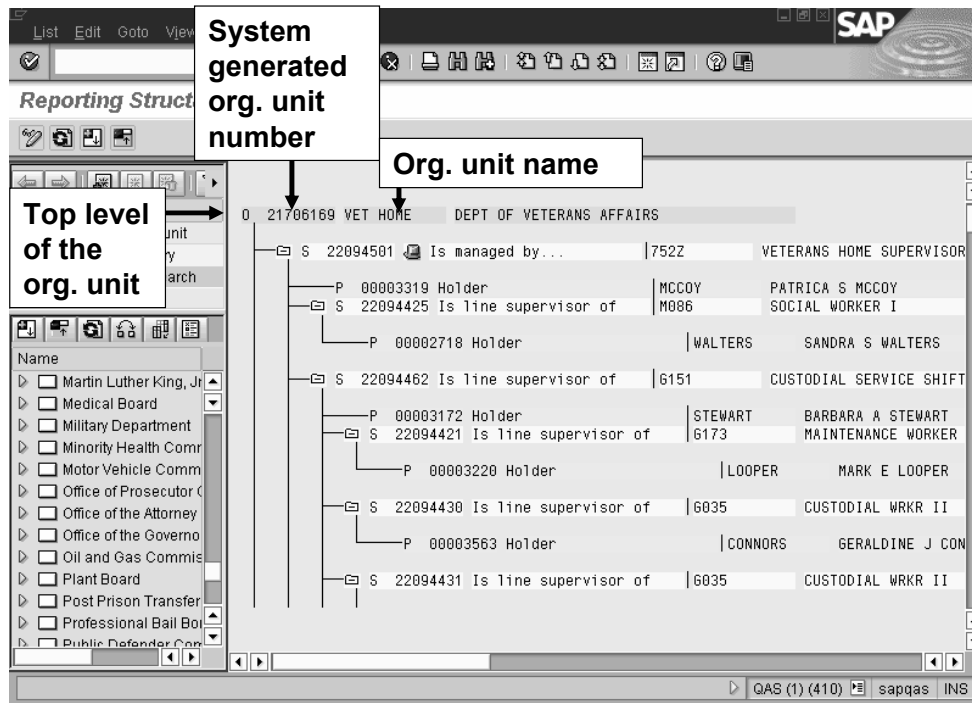

Manage Reporting Structure

- Reporting structures identify the chain of command or authority structure that exists at an agency.
- An agency's Reporting Structure may be different from their Organizational Structure.
- Changes made to the agency's Reporting Structure will not affect the agency's Organizational Structure.

Reporting Structure

Exercise Scenario #12

 View one of your organizational unit's reporting structure.

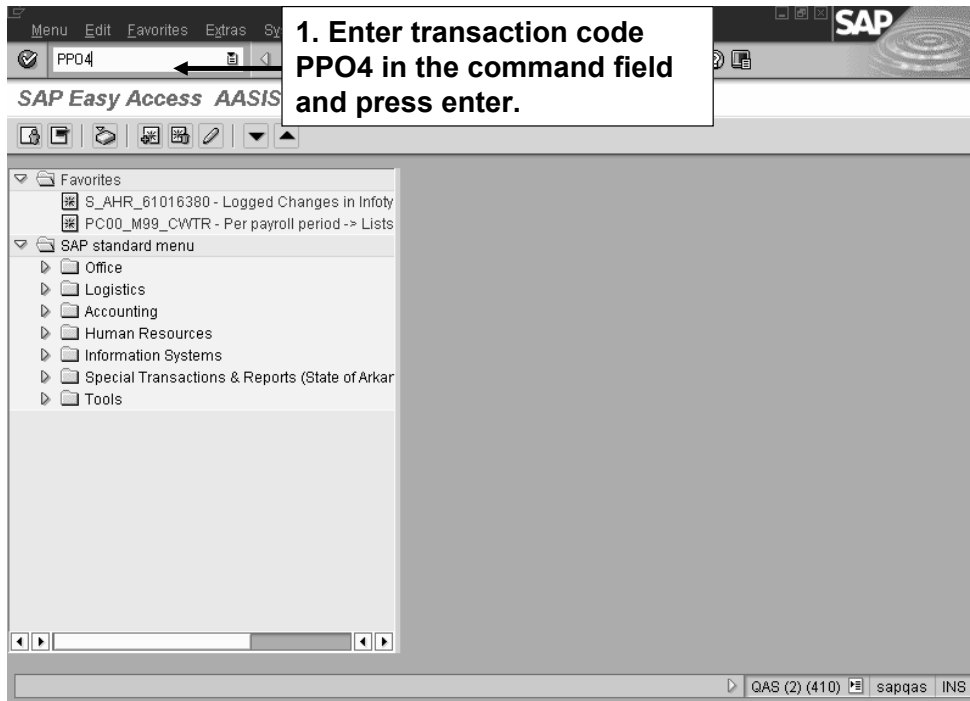

Demonstration

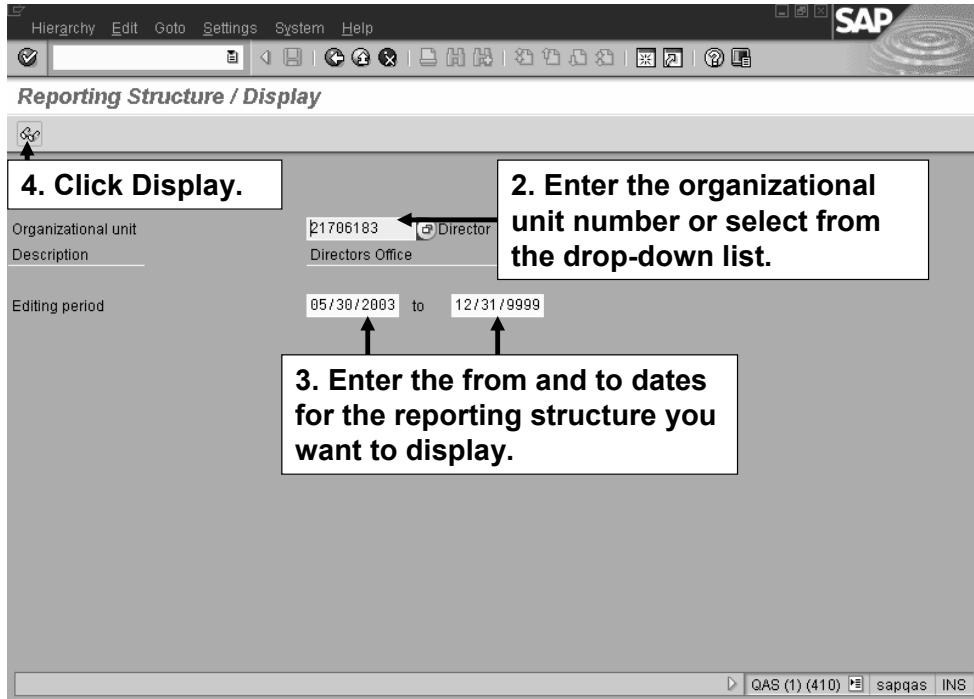

Display a Reporting Structure

Transaction code PPO4

IMPORTANT: All extra-help positions **MUST** be crossgraded in AASIS before the Personnel Administration action can be processed in the system. The crossgrade transactions attaches a legitimate job code to the position. If the extra-help position is not crossgraded before the PA action is processed, the employee will not be paid appropriately.

The screenshot shows the SAP 'Reporting Structure / Display' window. The menu bar includes 'Hierarchy', 'Edit', 'Goto', 'Settings', 'System', and 'Help'. The toolbar contains various icons for navigation and editing. The main area is divided into sections for 'Organizational unit', 'Description', and 'Editing period'. The 'Organizational unit' field contains '21706183' with a dropdown arrow and 'Director' selected. The 'Description' field contains 'Directors Office'. The 'Editing period' section shows '05/30/2003' to '12/31/9999'. The status bar at the bottom indicates 'QAS (1) (410)', 'sapqas', and 'INS'.

4. Click Display.

2. Enter the organizational unit number or select from the drop-down list.

3. Enter the from and to dates for the reporting structure you want to display.

5. Click View. In the pop-up box, click Key off; Relationship text off; Abbreviation off; Object period off; and Relatshp period off.

The 'View' menu is open, displaying options such as 'Key off', 'Relationship text off', 'Abbreviation off', 'Object period off', 'Relationship period off', 'Percent on', 'Assignments', 'Editing period', 'Color legend', and 'Switch layout'. A callout box points to the 'Key off' option with the instruction: '5. Click View. In the pop-up box, click Key off; Relationship text off; Abbreviation off; Object period off; and Relatshp period off.'

The main window displays an organizational chart with nodes for various departments and positions. The chart shows a hierarchy starting from 'APDC-ADMINISTRATIVE' and branching into various roles like 'DIRECTOR', 'EXECUTIVE SECY/ADMINISTRATIVE', 'INTERNAL AUDITOR', 'PERS ASST DIRECTOR', 'SECRETARY II', and 'RESEARCH PROJECT AN'. The status of each node is indicated by a letter (S for Supervisor, P for Holder) and a number (e.g., 22094624, 00002905).
